Strategic Directions

- ▶ Govern Partnership Table according to mandate and strategic plan
- ▶ Position and promote school board adult education
- ▶ Improve access/equity
- ▶ Build capacity and deliver effective school board adult learner centered practices

Strategic use of data

GOAL: the partnership table will develop the ability to collect, access and analyze key data for evidence based reporting and decision-making.

- ▶ Contracted Barrie Region Internal Auditors
- ▶ Process flow mapping of OnSIS data (entry to reports)
- ▶ Accurate data on 18+ & 21+ learner activity, PLAR assessments and OSSD completion
- ▶ Other important data we can collect?
- ▶ Develop internal relationships & improve data collection/analysis
- ▶ Create a summary of regional activity/impact for presentations

Promote the value of adult & continuing education within the region.

GOAL: Develop plan to build INTERNAL awareness

- ▶ Work with CESBA's 'tool kit' & strategy
- ▶ Support positioning and messaging within board systems
- ▶ Collate a regional report to be shared with trustees & senior administration and other stakeholders

Develop options for unserved & underserved areas in the region

Development and presentation of options to pilot

- ▶ Mapping the services in the region
- ▶ Develop implementation plans for pilots to serve targeted areas of unserved & underserved areas

Build professional capacity

GOAL: Capacity building plan for teacher, administrators and guidance

- ▶ Articulate current professional capacity building
- ▶ Onboarding for new teachers and for existing teachers
- ▶ Guidance - improving working with community partners to support pathways & transitions
- ▶ Build more responsive adult learner centered programs and services through PD (digital literacy, readiness)
