

Daniel Denommé

Education Officer, *Enhancement Programming*

Daniel has worked as a secondary and a continuing education teacher, the Regional eLearning Contact in the Thunder Bay Region, a sessional lecturer at Lakehead University and more recently was the manager of Adult & Continuing Education at Lakehead Public Schools.

Session: EDU Initiatives in Adult & Continuing Education

Karen Greenham

Education Officer, *System Learning & Supports*

Karen taught French as a Second Language (FSL) in elementary and secondary schools and was an instructor for pre-service and AQ courses for FSL teachers. She has continued to increase her passion for and understanding of language learning as a Curriculum Coordinator in the Thames Valley District School Board and, most recently, at the Ministry of Education. She is particularly interested in students who require extra support in literacy.

Session: Knowing and Responding to Learners Who Need Additional Support in Literacy

Carlos Sousa

Education Officer, *Policy Implementation & Skills*

In his former role as Assistant Superintendent of Curriculum and Assessment with YCDSB, Carlos provided leadership, direction and support in a wide range of areas, including cooperative education, SHSM, OYAP, e-Learning and alternative learning.

Session: Experiential Learning

Lori Stryker

Education Officer, *Assessment & Reporting*

Lori is a former secondary teacher and online course writer, reviewer and instructor for eLearning and additional qualification(s) courses.

Session: Assessing the Global Competencies Online and in the Classroom

Patricia Zaroski

Education Officer, *Policy & Skills Skill Implementation*

Patty has been an educator for 27 years with experience in both the elementary and secondary panels and as a former Guidance Department Head and Program and Pathways Consultant.

Session: Education and Career/Life Planning
