

# **PLAR 101 - Quick Guide**

## **Initial Intake/Assessment**

1. **CHECK ELIGIBILITY** confirms that student is **at least 18/18+ on or after January 1 of the current school year (up to and including August 31), is enrolled, with fewer than 26 credits.**
2. Check **Mature Student Box** in your SMS
3. Count **Grade 9/10 credits on the transcript. If fewer than 16, enter 0 PLE** (Prior Learning Equivalents) into your SMS and proceed with Grade 9/10 PLAR assessment. Check for the completion of Grade 9 and 10 credits in the following core subject areas—English, Math, Science, Canadian Geography and Canadian History—to determine **which Grade 9/10 Assessments the student will do based on their goals/pathway.**
4. Determine number of Grade 11/12 PLAR credits eligible for **(up to 10/14\*)**, cannot exceed 26/30\* credits. **\*Up to 14** if student provides evidence of Completed Canadian Post Secondary including Apprenticeship.
5. **The last four Senior credits must be earned post initial PLAR eligibility.**
6. Provide Senior Equivalent credit application and discuss possible credits and documentation required

## **Grade 9/10 Assessment**

1. Determine how and when each of the 4 assessments will be completed (coursework, or assessments)
2. **Track** eligibility and assessments in the Board/School prepared system.
3. Complete Ministry 9/10 [Cumulative Tracking Form](#) - Student can earn a max of 16 grade 9/10 credits, 14 compulsory including those already completed
4. Enter 9/10 Equivalent PLAR credits (PLE) in your SMS. Ensure the mature student box is checked.  
*PLE1N0 can be entered with zero credits for initial assessment but must be updated and or removed to PLE1N1 when credits are granted in the same year*

## **Grade 11/12 Assessment Documentation Verification**

1. Determine the number of grade 11/12 credits the student is eligible for. *Total credits already earned plus grade 9/10 PLE and 11/12 Sr EQV's cannot exceed 26\** With the exception of those who present evidence of an accredited Canadian post-secondary diploma, degree and or apprenticeship.
2. Explain SR PLAR Equivalency credits are granted based on prior learning acquired in formal and informal ways outside the regular school system
3. Student completes [Senior Equivalent Credit Application](#) and submits documentation to verify work and life experiences.
4. Assessor verifies credentials/documentation submitted along with application against learning - grants Sr EQV's
5. **Track** and completes [Cumulative tracking Form](#) and enters EQV's into SMS. **Ensure mature student box has been checked**
